

SOME SECRETS ARE KEPT TO SURVIVE.

SUMMER OF SECRETS IN THE HEART OF DIXIE

W. K. DENNEY

Rural Alabama, 1970. Thirteen-year-old Louellen and her ten-year-old sister, Bella, are growing up far too quickly under the care of an uncle whose respectable reputation conceals a disturbing reality.

When a desperate act of self-preservation changes their lives forever, the sisters find themselves bound by a secret neither can afford to reveal. What follows is a journey through fear, uncertainty, and unexpected alliances as they struggle to keep their secret buried, fearing that discovery could cost them their freedom—or worse, tear them apart.

But some secrets have a way of surfacing—and not all of them belong to the sisters.

ABOUT THE AUTHOR

W. K. Denney is an indie author whose fiction is inspired by a lifetime of varied experiences, education, extensive travel, and an enduring curiosity about people and places. She organizes and actively participates in a local writers' group, where members support and critique one another's work. Her curiosity and imagination come together through storytelling.

SUGGESTED INTERVIEW & FEATURE TOPICS

- W. K. DENNEY's creative process: introducing characters and letting their stories unfold naturally.
- Do your characters ever surprise you by taking the story somewhere you hadn't anticipated?
- The enduring bond between sisters in the face of adversity.
- Exploring survival, resilience, and the consequences of long-held secrets.
- Which character was the most challenging to write, and why?
- In addition to writing fiction, you host Hill City Fiction Writers. Tell us about the group and what it offers local writers.
- You've written several works of fiction. What can readers look forward to next?
